

Our History

Zion Lutheran Church is an established ministry in Newberg, Oregon, actively serving our community for over one hundred years.

We are a mixture of people of all ages -- we study the Bible together, we worship together, we have fun together...we are a family.

We have ministries for men and women, children of all ages, and activities for all ages.

We are also involved in the community through community meals, community blood drives, community warming shelter, and various community fundraisers.
